TLCCA :: 2010 Past Events :: Ontario Institute for Studies in Education of the University of Toronto

As children grow up, their prefrontal cortexes mature with improved connections among the circuits involved with emotion.

University of Toronto 2020

A framework for planning academic library spaces.

Stanford education school celebrates 100 years

In addition to her artistic practice, Schneider is a prominent advocate for the rights of musicians in the digital age. Walter had also hired Professor Harvey Olmick in 1954 to establish the first musicology program in Canada. This talk presents a teaching strategy that informs several assignment designs used by the author in undergraduate courses 1st through 3rd year.

Matthew Brower
