Prevention Strategies

It finalizes a proposal to streamline the information required to be reported by title IV-E agencies from the 2016 AFCARS final rule. If it does, it is forwarded to Investigations so the family can be assessed. It was enacted on October 28, 2010.

Policies and guidelines

Nothing in this guideline should be interpreted in a way that would be inconsistent with complying with those duties. First Step will allow the disclosure of information to any person or agency that may require it necessary for a prompt investigation. The Clearinghouse will identify promising, supported, and well-supported practices for mental health and substance abuse prevention and treatment programs, in-home parent skill-based programs, and kinship navigator programs appropriate for children who are candidates for foster care pregnant or parenting foster youth, and the parents or kin caregivers of those children and youth.

Child Care Licensing Policy and Procedures Handbook

The strategies and their corresponding approaches are presented in the table below. If application is missing information, the CRC Unit office will return the entire background check packet so that the application can be completed and re-submitted.
