Parent Survival Guide

The same communication principle will help you in other circumstances. Despite decades of assertiveness training and lots of good advice about communicating with clarity, timing, and tact, women and men find that their greatest complaints in marriage and other intimate.

Book Review

The goal is not to be different than you are, or a more perfect version of yourself, but to make allowances for your own vulnerability so that you can be more yourself in relation to other people.

Dance Partner Connection

Imagine your confusion if you and your spouse walked into a bar in their home town and suddenly the assembled masses would should out his or her name.

Dance of Interaction Manual — Dance for Connection

All that's required is a genuine wish for a better relationship and a willingness to practice. Nor is talking always a solution. This is much better for your relationship long term and will help you communicate your true needs.

The Dance of Connection by Harriet Lerner

Every relationship has some level of emotion attached.
