In 1974 Portuguese Guinea became independent as Guinea-Bissau, and the former Portuguese territories of Angola, Cape Verde, Mozambique, and São Tomé and Príncipe became independent in 1975.

**The Changing Climate of Africa Part IV: Its Effects**

The story of the intelligence war in South Africa during the Second World War is one of suspense, drama and dogged persistence. The United Nations High Commissioner for Refugees UNHCR found that competition over jobs, business opportunities, public services and housing gave rise to tension among refugees, asylum seekers, migrants and host communities, identified as a main cause of the xenophobic violence. Flow occurs in most rivers primarily in the summer and fall.

**Aspects of the ecology and productivity of some of the more arid regions of Southern and Eastern Africa**

The states of Africa are full, equal, and active participants in all international organizations of the UN system, the conferences of the UN on trade and development Geneva, 1964; New Delhi, 1968, and conferences of unaligned countries. The territory of the South African Republic became known after this war as the Transvaal Colony.

## **A Visit to the Kagem Open**

The advancing Bantu encroached on the Khoikhoi territory, forcing the original inhabitants of the region to move to more arid areas. The of now , now , and now continued under direct rule from Britain. South African involvement in Angola ended formally after the signing of a United Nations-brokered agreement known as the between the governments of Angola, and South Africa, resulting in the withdrawal of all foreign troops from Angola and also South Africa's withdrawal from South West Africa now Namibia , which the UN regarded as illegally occupied since 1966.
