### Bird

At Disney, Iwerks worked on the following scenes: the children's party, Melanie driving to Bodega Bay, and the first two cuts of the crow attack sequence. Here the sadism is all too nakedly, repellently present. Personal locations are sites that you mark and name but do not request as Hotspots.

### WhatBird

Melanie takes refuge in a , but gulls fly into the glass walls and shatter them.

### Birds

Bill Abbott, at , was in charge of the optical effects for the crow attack sequence, which would take six weeks to finish. This is because the birds attack anyone who goes outside, consequently leaving people trapped inside their homes.

### Birds of Tennessee

The muscular syrinx has two halves that each vibrate to produce songs, so the bird can sing two notes at a time. The initial humor followed by horror would turn the suspense into shock.
