Nestled along the country roads of Lancaster Valley, Pennsylvania, the Amish still cherish and cultivate the virtues realized by living a plain and simple life.

Brides of Lancaster County (A Merry Heart / Looking for a Miracle / Plain and Fancy / The Hope Chest) by Wanda E. Brunstetter

Yes it took 10 of her novels for me to decided I had had enjoyed enough of her predictable romance novels. The four novels are separate entities, but do make up the continuing story of several families and their interactions with each other, their church community ies and their non-Amish neighbor I really enjoyed the 4 novels that made up this book.
