20011: On Englishing the Bible

The French term for this hypothetical custom is *droit de cuissage* from *cuisse*: thigh. On March 12, 2013, Ford was traded by the Flyers to the Columbus Blue Jackets for future considerations. Also, *en masse* refers to numerous people or objects a crowd or a mountain of things.

considerations translation in English

We will not open the discussion here, except to say that the casual employment of local names is of no service because so many of these names are common to so many different plants.

Articles in Grammar: Useful Rules, List & Examples • 7ESL

When I called the attention of a neighbour to these outlandish vocables, the affable steward bent forward to enlighten my ignorance. The anglicisation of medieval Scottish names consists of changing them from a form consistent with to the , which is an. As we have briefly seen in our earlier examples, the word *the* can be used to demonstrate that the speaker is referring to something specific and not talking in a general sense.

English to French Translation — Vocre

As with *lingerie*, the usage of the word suggests the garment is alluring or fancy. Le 12 mars 2013, il est échangé aux Flyers de Philadelphie par les Blue Jackets de Columbus en retour de considerations futures. It is the second most-widely spoken language in Canada after English and is one of the official languages of Canada.
