Get an In

The fourth California mission, Mission San Gabriel Arcángel, was named for the archangel Gabriel. The rest are all located close to the main highway. The former convento now a museum has a distinctive front colonnade.

Mission San Diego de Alcalá: Visiting California's First Mission

This map shows them with their year of founding. Established by Father Fermin de Lasuen in 1798, the mission was the eighteenth founded and was named after King Luis IX of France. The seventh California mission, Mission San Juan Capistrano, was named for Catholic saint John of Capistrano and provided access to southern California to Spanish Mexico.

California Missions Map: Where to Find Them

In the process, local traditions, cultures and customs were lost.

CDFA

In addition to Gregorian chant, Native American singers learned songs and hymns from the Renaissance and later.
