ONRR used the same dataset for this analysis that was used in the 2020 Rule. Non-substantive corrections—amended various regulations by making non-substantive corrections. This section briefly describes some of these bureaus' royalty-relief programs, which ONRR failed to consider when adopting the 2020 Rule.

Federal :: ONRR 2020 Valuation Reform and Civil Penalty Rule: Notification of Proposed Withdrawal

Third, the 2020 Rule compared the decrease in applications for drilling permits in the GOM to an increase in onshore drilling permits. In contrast to the years of consideration leading to the promulgation of the Valuation Rule, the ONRR's actions to repeal it took place in a matter of months. ONRR Response: ONRR agrees that procedural flaws exist in the 2020 Rule.

Principles and Guidelines for National Standard Setting and Regulatory Action by Ministerial Councils and Standard

Since accounting standards represent items in many ways, proper disclosure of the accounting policy is essential.
