Instead, many artists in Protestant countries diversified into secular forms of art like history painting , landscapes, portraiture, and still life.

## High Renaissance and Mannerism in Northern Europe and Spain

Are we indoors or out? Botticelli, Holbein, Leonardo, Durer, Michelangelo: the names are familiar, as are the works, such as the Last Supper fresco, or the monumental marble statue of David. The figure is androgynous; the female pronoun is used here in keeping with the gender of the word melancholia, but some art historians believe the figure to be male. While many little-known works are foregrounded, Susie Nash also

presents new ways of viewing and understanding the more familiar, such as the paintings of Jan van Eyck, Rogier van der Weyden, and Hans Memling, by considering the social and economic context of their creation and reception.
