Cuba: Wild Island of the Caribbean

Private property is minimal, and private wealth is seen as a breach of the social contract by which all Cubans benefit equally from the resources of their island. Cuba is the largest and westernmost of the islands of the West Indies and lies strategically at the entrance to the Gulf of Mexico, with the western section only 90 mi 145 km S of Key West, Fla.

Culture of Cuba

Behind their tough talk lay an obvious fact. In 1999 prominent dissidents in Cuba were jailed and repressive laws enacted, prompting further international criticism. Cuban government and economy Cuba is a socialist state run by the Cuban Communist Party.

1950 Film [Cuba: The Land and the People]

Higher education is so accessible that more people attend universities than there are white-collar jobs available. There are now private farms that produce about 70 percent of all of the produce in Cuba.

Cuba

The most persuasive of these arguments, though, always came back to a single, essential point. In April 2014, we decided to changes our lives and purse a more fulfilling, active life.
