**Aftershocks by Marisa Reichardt, Hardcover**

I guess I never fully understood why, as the medical examiner, she was so involved in the investigation process.

**Aftershocks: A Memoir (Hardcover)**

He feels more upset about the fact that post break up she is no longer wearing sexy lingerie but instead is wearing white bras and granny panties. I spent a lot of time doing research about the cultures where I came from and journaling and writing for myself. Any quotes are taken from an advanced copy and may be subject to change upon final publication.

**Aftershocks**

Elliot is 38 and Georgina is 23 and was a virgin until she and Elliot got together. Nadia Owusu raised the memoir bar, visceral, beautifully written, and deeply moving. I did not want this book to end! Walls and windows blow out. She had a very special bond with her father and had a mother who abandoned her when she was only two years old.

**Cullen Bunn and Dalibor Talajić Bring Eden to AfterShock Comics (Exclusive)**

In a good way, though. If you enjoy memoirs, you don't want to miss this one.
