## The Tribute Money (Masaccio)

In these frescoes, rather than bathing his scenes in flat uniform light, he painted them as if they were illuminated from a single source of light the actual chapel window, thus creating a play of light and shadow chiaroscuro that gave them a natural, realistic quality unknown in the art of his day.

## Masaccio's Tribute Money

The chapel was recently superbly restored, with the removal of accumulated candle soot and layers of 18th century egg-based gum which had formed a mold.

## Brancacci Chapel

ENCYCLOPEDIA OF OLD MASTER PAINTERS © visual-arts-cork. The colour adds to the impertinence expressed through his gestures.

## Frescoes in the Cappella Brancacci of Santa Maria del Carmine in Florence (1426

Take it and give it to them for my tax and yours. It was consecrated to Saint Peter. In this painting too, one is aware of the great sensitivity and delicacy of the painter's brushwork - the angels playing lutes are of such simplicity and craftsmanship as to make them seem to sing.

## Masaccio Biography, Life & Quotes

Here, even within the most traditional late medieval schema, the painter introduces strong volumes for the Madonna's robes, and space all around the throne. Of the Bloomsbury Group, his influence can be seen most clearly in the figurative paintings of Duncan Grant, who spent two years in Italy between 1902-3 copying Masaccio. Artistic Legacy Masaccio's contribution to the and thus to Western painting is enormous.

## Masaccio's Tribute Money

Peter as the subject matter of the frescoes likely reflects the wishes of Pietro. Take the first fish you catch; open its mouth and you will find a four-drachma coin. Peter had raised his son which had been fourteen years dead.
