Dunlop, John B; Haugh, Richard; Klimoff, Alexis eds. Zato što se formiranjem Vlade Srbije i dalje nikakva suštinska promena nije desila u pogledu kadrova.

Aleksandr Solzhenitsyn

U Generalštabu pažljivo prate šta se dešava na beogradskim ulicama.

Aleksandr Solzhenitsyn

The book drew from Solzhenitsyn's experiences and the testimony of 256 former prisoners and Solzhenitsyn's own research into the history of the Russian penal system. He asserted that Imperial Russia did not censor literature or the media to the extreme style of the Soviet, that political prisoners typically were not forced into, and that the number of political prisoners and exiles was only one ten-thousandth of the numbers of prisoners and Exiles following the.
