### Line of zero control

Khan Although the stock market has gone down abysmally this year, the art market in India is booming. Although in the end, an expat leaves a country with memories that are a good mix of bitter and sweet moments, it is never too boring.

### THE HINDU CROSSWORD CORNER: No 9450, Saturday 7 February, M.Manna

Such incidents inevitably lead to a consolidation of the populations of the two countries into two warring groups supporting their country and attacking the other in a sort of 'patriotic fervor' that refuses to see the faults of one's own compatriots.

### Red curry

I am grateful for every lesson my nomadic life has taught me.

### Bangalore in books

When he grows up the hound will be a hunter. I just want to make sure that they know how to read and write, be clean, learn to mingle with others in a civilised way. He worked in the corporate industry before pursuing writing full time.

### The Sunday Tribune

Abythmangala village in Coorg district though the indigenous name Kodagu has been officially adopted, the former continues to very popular is just a few hours away.

### The Story

Our third daughter, London Olivia no, she was not conceived in London and yes, we have been asked that more times than you can imagine! La prima sera erano ben vestiti e si sono seduti a tutti i tavoli liberi, chiedendo al malcapitato cameriere di fare loro innumerevoli foto.

## **The Expat**

Ufficialmente 37 mila, dati del Consiglio Nazionale. Chandan is an anti-corruption and RTI activist, resident of Abythmangala and executive director of the Association for Social Transperency, Rights and Action ASTRA. Yes, I met some Naxalites.
