## They Took to the Waters: The Forgotten Mineral Spring Resorts of New by Harry B WEISS

The great mineral water age, not only of New Jersey and the Delaware Valley of Pennsylvania but of the nation as well, came to an end during the early 1900s, and although traces of it linger on it is doubtful if it will ever be revived. Photo Credit: The Woodloch Pines Family Resort is not only a place to have fun but also to reconnect with the most important people in your life. Label They took to the waters; : the forgotten mineral spring resorts of New Jersey and nearby Pennsylvania and Delaware Title They took to the waters; Title remainder the forgotten mineral spring resorts of New Jersey and nearby Pennsylvania and Delaware Statement of responsibility by Harry B.
