## Ecce Homo (1969)

To be able to be an enemy, to be an enemy—maybe these things presuppose a strong nature; in any case all strong natures involve these things. As German philosophies, however, are said to go to Oxford only when they die, we may, perhaps, conclude from this want of appreciation in that quarter, how very much alive Nietzsche's doctrine still is.

## Aktuality z AMK Ecce Homo Šternberk

Every time I open one of his books, it's like we're sitting in a small café, round metallic tables and all, just the two of us, and I'm leaning close so I can suck in as much of his brilliance as I can. My health was not very good; the winter was cold and exceptionally rainy; and the small albergo in which I lived was so close to the water that at night my sleep was disturbed if the sea was rough.

## Start

Came a distant song: In golden drops it rolled Over the glittering rim away. There was one darkly heroic phrase from The Birth of Tragedy that stuck: ein Pessimismus der Stärke, a pessimism that springs from power.

## Hilarious Internet Reactions to the Botched Ecce Homo Restoration

V tomto hodnocení půjde zejména o přesnou a konzistentní jízdu.

## Ecce Homo

Závod dokončilo 124 historických automobilů a motocyklů.
