The Story of Rubin "Hurricane" Carter: Wrongly Convicted Boxer, Dylan's Muse

The white community of Paterson got its way this time; a troublesome, uppity Black man was put in his place. What's more, police never took fingerprints at the crime scene, never photographed tire skid marks from the getaway car even though witnesses said the car screeched away, never took fingerprints from the spent shotgun shell that was found on the bar's floor. His transformation from ill-disciplined street fighter to professional boxer had begun.

Artis is baffled; Carter suspicious. The next day, Wednesday, the plane flew again and she found her dazed husband, Elizabeth Bradford Turnent, 75, recalled last week from her South Miami home. It is true that he ran away from a juvenile detention centre and joined the army, but in The Hurricane he appears to emerge from it with full honours.

December 8: Bob Dylan

Dylan could not have sung better.

Night of the Hurricane

In Irish history, it is known as the 'Night of the Big Wind' or 'Oíche na Gaoithe Móire'. One day last month, he walked around the granite monument with a legal description he obtained from the 1936 congressional hearings, pointing to where he thought trenches were dug and bodies buried, mystified that after all these years, soldiers forsaken in life remained forgotten in death. He headed the charity Association in Defence of the Wrongfully Convicted, which fought to have Clarence Chance and Benjamin Powell freed 17 years after they were convicted of murdering a deputy sheriff.

Spinner

Throughout his career, he has had the honor of working with the likes of Michael Jackson and Little Richard among many others.
