## Genre Reviews: They Called Her Mrs. Doc by Janette Oke

I laughed and cried right along with Cassie as she went through many stages of life. But then she let the conversation drop as soon as Cassandra said she loved him and would follow him as a submissive wife should. The only daughter of a noted Montreal physician and educator, Cassandra Dell Winston enjoys all the opportunities of Eastern society and affluence.

Over the novel she grows and even learns to accept others for who they are.

### Christian Books, Bibles, Gifts & more.

This novel shows the readers how things in life can take an unexpected turn. When Cassandra is smitten with a man from the west.

But Biden is thought to be the first second lady to hold a paying job while her husband is in office. She however, wants to stay at the home she's lived in most of her life. It is truly a beautiful piece of reading.

### They Called Her Mrs. Doc

Amelia was played by Gillan's real-life 10-year-old cousin. It is truly a beautiful piece of reading.

### Christian Books, Bibles, Gifts & more.

Amy also appears in the smartphone app game. Cassie let her fingers gently trace another freckle. Perhaps that because it was felt a little underwhelming.

## Professional Title Etiquette: When to Use Your Dr. Title — Emily Post

Where were the droughts or severe winters and bad illnesses? But I picked it up at the library because it takes place in Canada. Cassie has many life lessons to learn. I actually didn't like the main character very much at first! As with the majority of her books, if you are looking for anything beyond light kissing, this will not be for you.

**They Called Her Mrs. Doc. by Janette Oke, Paperback**

I wouldn't call the book preachy at all, there is only one section where Oke goes into detail about how to include God into your life during a discussion between Cassandra and a friend. There are now just the two of them and suddenly life changes forever. She also wants to discover why her husband is always at peace, he is never uptight and tense like her! Now with the coming dinner, Abigail was almost fawning.
