Behind the Bamboo Curtain: China, Vietnam, and the World Beyond Asia

On the other hand, I have always favoured covering feature stories to hot news because it has become almost impossible to compete with established agencies and I also prefer to spend time on my own rather than covering a story with dozens of colleagues and in Burma I have so far always managed to dig out such stories. You will be surprised to know China had stopped giving statistics about fresh and active Covid cases and fatalities since May last year. His eyes are closed, as if unwilling to witness the reality before him, choosing instead to laugh in ignorance.

Noam Kochavi

Recently, another work sparked controversy. Since they are experts in their domains, it will help us in the probe.

China: Behind the bamboo curtain

Yue Minjun is a pioneer extraordinaire of the Cynical Realism art movement, yet here is a cynic with a distinctively positive response to adversity; laughter.

Behind the Bamboo Curtain: China, Vietnam, and the World beyond Asia

Lockdown has been imposed in two cities having 17 million population, Shijiazhang and Xingtai, Langfang near Beijing and Heibei province adjoining Wuhan, where wartime emergency has been declared.

China: Behind the bamboo curtain

In many ways Western leaders are grappling now with the same dilemmas and challenges he faced, and like Nixon they are not coming up with any easy answers. The poetic arrangement of 'Big Swans' depicts eight swans in flight against the grinning images of Yue as an illustration of the conflict between the sublime and the ironic. It will, in fact, escalate.

Behind the Bamboo Curtain: China, Vietnam, and the World Beyond Asia

BELJING -- President Xi Jinping as well as his predecessors Jiang Zemin and Hu Jintao appeared on the Tiananmen rostrum in Beijing under tight security on Tuesday, the 70th anniversary of communist China's birth. The rich cultural history of China, an ancestral tradition that had prospered for many centuries was effectively forsaken. The moot question is whether the virus originated from ancient caves or was it developed in a Chinese lab and then deliberately spread across the world.
