which we will always be in conflict. In the absence of , journalism exists as a of private and government action, providing information to maintain an informed citizenry of voters. On September 8, 2020, Reporters Without Borders expressed concern about the continuing detention and repression of journalists in Iran, and warned for the journalists and Reporters who have been arrested for their activities and subjected to harassment.

The 2017 Survey: The Future of Truth and Misinformation Online, Part 5 of 6

Not much is known about the extent to which the Chinese citizenry believe the official statements of the CPC, nor about which media sources they perceive as credible and why.

Doublespeak

Applying these general principles of liberty to freedom of expression, Mill states that if we silence an opinion, we may silence the truth. Unfortunately, there is no alternative source like this on the radio.
