Johns Hopkins Symptoms and Remedies : The Complete Home Medical Reference (2001, Hardcover, Revised edition) for sale online

A book that does not look new and has been read but is in excellent condition. The reader is told plainly which symptoms signal an emergency, which require a prompt call to the doctor, and which can be safely self-treated at home with clear, specific instructions on how to do so. This

newly revised book clearly distinguishes between the normal signs of aging and the signs that should alert you to possible or acute chronic disorders.

Johns Hopkins Symptoms & Remedies: The Complete Home Medical Reference

May be very minimal identifying marks on the inside cover. Very minimal wear and tear. It gives you information that helps you understand your medical problem but in no way should be used in place of seeing a physician.
