Chapter 14: The Battle for Hoengsong

The appearance of Oscar Newman's Defensible SpaceÓ in 1972 signaled the establishment of a new criminological subdiscipline that has come to be called by many Crime Prevention Through Environmental DesignÓ or CPTED. Boxed between frontal pressure and Chinese to the rear, the

three regiments had started to withdraw; but with the main threads of control broken and the better routes of withdrawal blocked, units became separated and divided, and most were surrounded.

Chapter 14: The Battle for Hoengsong

The group moved south after daylight toward the 3d Battalion, 38th Infantry, but became scattered during several small skirmishes with Chinese.
