## Oceans and the Law of the Sea

Part Two volume I contains statements of delegations, as well as proposals made in the Committee on the Peaceful Uses of the Seabed and the Ocean Floor beyond the Limits of National Jurisdiction. It also contains information concerning the peaceful settlement of disputes in case the negotiations are unsuccessful. In addition, an annex was adopted, which entered into force on 30 September 1962.

The Conference was preceded by an inter-agency consultation convened in May 1985 by the Special Representative of the Secretary-General of the United Nations for the Law of the Sea for coordinating UN agency support to the Conference, and an Intergovernmental Preparatory Meeting in Colombo in June 1985. Indochina: an ambiguous colonization, 1858-1954. The Conference established the Standing Committee with primary responsibility for taking action as may be necessary for policy level guidance on the implementation of the Programme and Plan of Action and furthering cooperation through the framework of IOMAC.

## States Parties to United Nations Convention on Law of Sea Conclude Twenty

PRACTICE OF STATES AT THE TIME OF ENTRY INTO FORCE OF THE UNITED NATIONS CONVENTION ON THE LAW OF THE SEA SALES NUMBER PAGES COST E. And every time an oil tanker is involved in an accident, the world's pulse quickens a bit in fear of a major catastrophe. In fact, every time a tanker cleans its tanks at sea, every time a factory channels toxic residues to coastal waters or a city conveniently releases raw sewage into the sea, every time a service station changes the oil of an automobile and pours the waste oil into the sewers, the oceans become a little more polluted.

## Regulating Sewage Pollution of Malaysian Rivers and its Challenges

The ocean is vast and covers 140 million square miles, some 72 per cent of the Earth's surface.

## States Parties to United Nations Convention on Law of Sea Conclude Twenty

The navies of the maritime powers were competing to maintain a presence across the globe on the surface waters and even under the sea. For purposes of practical implementation the Secretariat prepares and implements a work programme under the guidance of the Standing Committee.

### **Malaysia and the United Nations**

The shuttle system has been shelved because its operational and investment costs far exceeded the costs of more conventional approaches.

### **United Nations Publications prepared by the Division for Ocean Affairs and the Law of the Sea**

It illustrates how an informal proposal of the Private Group on Straits provided the basis for a compromise text which evolved into what is now Part III of the Convention.

### **International Disputes**

The ICC is legally and functionally independent from the United Nations, and is not a part of the UN system.
