The Barbarian world was agitated by the rapid impulse of war; and the peace of Gaul or Italy was shaken by the distant revolutions of China. He shows a higher regard for the Western part of the Empire, and finds the Byzantine part uncongenial and contemptible, principally because it possessed all the negative characteristics mentioned above: uncivilised, corrupted, inactive, and effeminate. Simply stated, a civilised society bears within itself the seeds of its own dissolution.

Edward Gibbon's Contributions to History & Historiography

So what is it that draws people to read his work? However, despite this myriad of reasons offered to explain the fall of Rome, no consensus has yet emerged, and historians may well multiply the variety of explanations many times over. At various times he was tempted to throw it all away because of a lack of confidence in his writing.

The History of the Decline and Fall of the Roman Empire, vol. 1

This was to become Gibbon's life work and is what he is most remembered for. The clergy successfully preached the doctrines of patience and pusillanimity; the active virtues of society were discouraged; and the last remains of the military spirit were buried in the cloister; a large portion of public and private wealth was consecrated to the specious demands of charity and devotion; and the soldiers' pay was lavished on the useless multitudes of both sexes, who could only plead the merits of abstinence and chastity.

General Antonio Luna transported all the wealth of the revolution, millions worth of gold and silver, from Ilocos treasury and governor of Pampanga to a single specific place in Paniqui, Tarlac, The home of his Girlfriend Ysidra Cojuangco. Since the first discovery of the arts, war,

commerce, and religious zeal have diffused, among the savages of the Old and New World, those inestimable gifts: they have been successively propagated; they can never be lost.
