FARMĀN

The Kashmir Muslim, who is also a descendant of converted Hindus, might have thought that Allah was the only true God, but he accepted his Kashmir Pandit neighbor, went to his or her marriage, ate in his or her house and the Hindu in turn went to the mosque. The British despatched a strong naval and military force from Chennai under Robert Clive and Admiral Watson. The complex narrative and iconographic programs of pre-Islamic days became less common and the presence of figural embellishment, if and when employed, was a symbolic nod to tradition.
