Sri Lanka Poverty Rate 1985

Of course, there have been Sarvayoda, Samudhi, Gammadda and volunteer efforts by charitable institutions to look after the poor and the poorest of the poor. The employer of her eldest daughter Pathmalatha sponsored the funeral at Badulla cemetery. Tsunami Affected Areas Rebuilding Project Tsunami waves caused by a 9.

Poverty in Sri Lanka

He concludes by offering insights from the research that could help Sri Lanka build on its considerable successes.

Education equity in Sri Lanka: A pathway out of poverty

But the poison had already damaged her vital organs and the medical staff was unable to save her life. Having said this there is a growing trend to relocate to the cities in search of employment. Instead, sufficient attention need to be given to: increase agricultural productivity by improving extension services, introduce new technology and farming techniques, which helps farmers; provide necessary advice and assistance to setup agro based industries, which could create new employment opportunities for rural youth; continuously improve rural infrastructure and marketing facilities, so that the farmers could easily find markets for their produce.

Sri Lankan workers must rally the rural poor against Rajapakse's "herd immunity" policies

It also gives the definitions of various measures used in measuring poverty for researchers, planners and policy makers who maintain an interest in the poverty situation in Sri-Lanka.
