Pleasure

In the pit of despair the road stops. Being back home though, brings Nella's past rushing to the forefront and the mistakes that she made in love and with family.

Pleasure

The woman who remembers the child she was — the child she ever is the moment she pleasures — is substituted in commercial civilisation by the mother, a virtual State official whose task is to integrate a piece of raw flesh into society. Settling into a community can take time; place attachment doesn't peak till you're five years in. It would certainly be to your financial benefit to keep the wallet and the money you found.

Where to Touch a Man in Bed

The world upside-down reaches the point at which it might possibly right itself when proletarianisation through work and constraint has no choice but to die — or to put creative pleasure foremost.

The Internet Classics Archive

The few societies in which trade is rudimentary have kept a livelier imprint of sensual intelligence. His body was kept at home for several days because his wife was reluctant to part with it.

The right place at the right time

Then consider the practical aspects.
