Top 15 lingerie and nightwear sewing patterns

Choose pieces that highlight your clavicle, shoulders, and arms. They sell a selection of sleep bras, as well as camisoles and nightgowns with built-in support.

Making lingerie and nightwear : Bullen, Nicholas : Free Download, Borrow, and Streaming : Internet Archive

You can also take it up a notch with a bustier, which will also accentuate your waistline and add some pushup on top. You can choose styles, shapes, and fabrics that accentuate what you love about your figure.

Lingerie & Nightwear

Yes, as a This classic pyjama pattern features sleep shirt or top options, short or long sleeves, bottoms in shorts or pants length or optional piping for a high quality finish. For over 100 years, our signature sleepwear lines earned recognition in the marketplace — and the adoration of countless women — for two big reasons. Second, all of our products allow women to express their personal style, with a whole catalog of patterns, trims, cuts, and much more.

La Perla

Sewing up a bra is a great project to get stuck into and we share our favourite patterns below, all with different styles. Try a traditional lace-up corset for a bit of romantic flair. The underwire bra has scalloped lace edges on the upper cups, a hook and eye closure at the back and adjustable straps.

Women's Sleepwear

Both pieces balance out the proportions of a pear-shaped figure.
