Works

It was released in variants for early DOS, Windows, and Macintosh. We apologize for any inconvenience. Organize and optimize routine tasks by performing them in the productivity suite featuring a word processor similar to MS Word, a spreadsheet manages for handling data tables and structures, and a database generator for managing and storing all created files.

Workforce Online Reporting and Knowledge System

WORKS is designed to streamline education evaluation, using a web-based process designed to increase efficiency with which staff can process child care provider applications. Previously, Education Evaluation Specialists in the Early Education Branch, Workforce Education Unit of DCDEE, assessed the education of individuals working in child care using paper applications in order to determine their qualifications. CalWORKs is a public assistance program that provides cash aid and services to eligible families that have a child ren in the home.

CalWORKS

Workforce Online Reporting and Knowledge System Implemented December 30, 2016 The Division of Child Development and Early Education DCDEE Workforce Online Reporting Knowledge System WORKS will function as a single portal of entry for workforce education and professional development to collect, report, and track child care workforce information needed to support education requirements. If a family has little or no cash and needs housing, food, utilities, clothing or medical care, they may be eligible to receive immediate short-term help.

Streets

Works was a completely different product from, and even competed against.
