

Study of NACA and NASA published information of pertinence in the design of light aircraft

National Aeronautics and Space Administration; for sale by the Clearinghouse for Federal Scientific and Technical Information, Springfield, Va. - A study of NACA and NASA published information of pertinence in the design of light aircraft. Volume 3

Description: -

-
Symbolism in art.
Romanticism in art.
Painting, Modern -- 19th century.
Building -- Estimates.
Airplanes -- Design and construction -- Abstracts.study of NACA
and NASA published information of pertinence in the design of light
aircraft

-
NASA CR-1484.
NASA contractor report ;
NASA contractor report, NASA CR-1484study of NACA and
NASA published information of pertinence in the design of light
aircraft

Notes: Prepared under contract no. 1-7265 by Dept. of Mechanical
and Aerospace Engineering, North Carolina State University, Raleigh,
N.C., for Langley Research Center.
This edition was published in 1970

Filesize: 28.95 MB

Download An Analysis Of Ram Jet Engine Time Delay Following A Fuel Flo

Two calculation methods were used: 1 The slowing-down properties of the experimental fuel element were represented by infinite media parameters; and 2 the finite size of the experimental fuel element was recognized, and the slowing-down properties of the surrounding core were attributed to this small region. Topics: NASA Technical Reports Server NTRS , BROADCASTING, COMMUNICATION SATELLITES, SATELLITE. READ as many books as you like Personal use.
