Early Christian Writings: New Testament, Apocrypha, Gnostics, Church Fathers

These ideas had implications that could not be squared with either the Old Testament or apostolic writings, which is why early Christians rejected them. For many years our knowledge of Gnosticism was primarily through the refutations made by the orthodox.

Albigenses

Irenaeus' opponents claimed to have received secret teachings from Jesus via other apostles which were not publicly known.

Orthodoxy and Heresy in Earliest Christianity

Eutyches was excommunicated in 448.

6 Heretics Who Should Be Banned From Evangelicalism

Other evidence that the early church had a collection of at least some apostolic books that they saw as authoritative and contained provisions of the New Covenant includes allusions of a bi-covenantal canon in 2 Peter 3:1-2. Major funding for FRONTLINE is provided by the John D.

12 Theological Heresies Defined In Church History

A similar overlapping occurred in medieval. The soul in the Gnostic system must ascend through these heavenly realms in the quest to return to a state of perfection. Or, so we thought... Like C.
