### What Does the Bible Say About Salvation?

In his vow, he promised to save all sentient beings that would only repeat his name ten times: Let him utter the name, Buddha Amida. Be baptized, fully submerged in water, in the name of the FATHER, of the SON, and of the HOLY SPIRIT. But those with non-Christian beliefs are generally not morally culpable for the fact that they hold these beliefs.

Therefore the major spiritual paths for attaining liberation in Hinduism are karma yoga the way of good deeds and fulfillment of social duties , bhakti yoga the way of devotion toward a personal deity in order to accumulate merits , raja yoga the way of controlling the mind, as the ascetic technique of Patanjali requires and jnana yoga the way of acquiring spiritual knowledge. Mocked and spit upon by the human race, nailed on a cross and forsaken by the Father, Jesus Christ took our place in punishment. In the first place Christianity will have to try to understand and evaluate itself in the context of a plurality of religions; it will have to think specifically about the truth and the universality to which it lays claim.

### Does Islam teach salvation by our works?

CHRIST instructs HIS disciples, all of us, to seek others to be HIS disciples so they will do the same. Please call for more information: 908 937-5723. Jn 3:16—17; 1 Jn 4:9—10; etc.

They are professing Christianity, but they are not born again. In conclusion, it has to be emphasized that according to Christianity, eternal life is not the annihilation of soul and personhood, but an embodied existence of perfect and eternal communion with God. And some exclusivists have argued that unless it can be demonstrated in an objective, nonquestion-begging sense that they are not justified in affirming a religious perspective that makes such claims which even Hick does not attempt to demonstrate , they are justified in denying that such parity actually exists Clark 1997, 303—320.

### Christianity and the World Religions

This universal mission and this sacramental efficacy in the order of salvation have found their theological expression in calling the Church the universal sacrament of salvation. Recourse to the humanum is not convincing because with it one is dealing with a merely phenomenological criterion, which would make the theology of religions dependent on the anthropology dominant in any particular age.

### **How to get to heaven**

I open up the door of my heart, and I invite YOU into my heart, LORD JESUS. If there is no need for forgiveness, the need for grace cannot exist either.

### **What Does the Bible Say About Salvation?**

In accord with the different ways with which the salvific will of God embraces non-Christians, the council distinguished four groups: first, Jews; second, Muslims; third, those who without fault are ignorant of the Gospel of Christ and do not know the Church but who search for God with a sincere heart and try to fulfill his will as known through conscience; fourth, those who without fault have not yet reached an express knowledge of God but who nonetheless try to lead a good life 16. Clearly all religions are not teaching the same thing.

### **Religious Pluralism and Salvation**

Each side supports their beliefs by quoting their selection of biblical verses.
