La Salle Expeditions

He lays out the settlement that, through historical error, has come to be known as Fort St.

Rene R. de La Salle

Filesize: 39.51 MB

It is unclear if the natives meant the Ohio River or the Mississippi River. In La Salle, Aretha gives a convincing portrayal of the explorer as a reserved, resilient, and determined man, while offering a readable account of his travels from France to Canada, down the Mississippi to the Gulf of Mexico. The La Salle Expedition on the Mississippi River: A Lost Manuscript of Nicolas de La Salle

His claim of Louisiana for France, though but a vain boast at the time, pointed the way to the French colonial empire that was eventually built by other men. Located on the western shore of Matagorda Bay between Indian Point and Indianola. René Robert received his education at the Jesuit College of Rouen and joined the Order as a novice.

Exploring the World: La Salle : La Salle and the Mississippi River (Paperback)

By such means he obtained, on the twelfth of May of the following year, the exclusive right to explore the area between Florida and Mexico.

Rene

René-Robert Cavelier de la Salle died one hour later. La Salle Expeditions René-Robert Cavelier, sieur de La Salle, led two expeditions in search of the Mississippi Rivers outlet to the Gulf of Mexico for France under King Louis XIV.

La Salle: French Explorer of the Mississippi

There is no contact between the two groups for a month.
