## How to Father by Fitzhugh Dodson

Defense Secretary Delfin Lorenzana yesterday said that military and defense officials are keen on continuing the Visiting Forces Agreement, which they see as an instrument that ensures the Philippines and the US can continue developing military interoperability and capability doctrines in support of the Mutual Defense Treaty. This book helps you recognize the special dynamics that keep you from getting through to your children.

I read the book cover to cover and like so many of the other reviewers, I thought the advice was common sense, very loving and psychologically oriented. Offering sound, practical advice for both prevention and cure, they will help you recognize and combat the hidden messages that make kids think drugs are okay, where to get professional help and deal with the pain inflicted on the rest of the family. His survivors included three children from his first marriage, Robin Ellyn, Randall James and Rustin Fitzhugh.
