Welcome to Renaissance Place

Artistic innovation included perspective and painting with oil.

Renaissance period

Tout, although in the audience at the Astoria, did not perform on this tour. The developments in science, art, philosophy and trade, as well as technological advancements like the printing press, left lasting impressions on society and set the stage for many elements of our modern culture.

Renaissance (band)

The label's first release was in 1974. Image credit: Public domain One of the major scientific discoveries of the Renaissance came from Polish mathematician and astronomer.

Welcome to Renaissance Place

In 1985 Camp left, and Haslam and Dunford led an acoustic version of the band and performed occasional shows the last being in , until splitting up in August 1987.

Renaissance

In March 2001, following the delayed release of Tuscany, a full band tour was organised, with a line-up of Haslam, Dunford, Sullivan, Simmonds, Rave Tesar keyboards and David J.

Renaissance period

The Renaissance was a cultural and scholarly movement which stressed the rediscovery and application of texts and thought from classical antiquity, occurring in Europe c.
