Yes, there's a right way to teach reading

When Tom and Becky were trapped in a cave, he could not understand their dilemma, for he had never been in a cave or seen a cave before. The book had very long descriptions of all types of sharks.

The site is best suited for students in 4th through 8th grade. This helps to fix the letter patterns in the word in a reader's memory. So it is always important to keep anything you talk about relevant so that the associated party will be more interested and in tune with what you have to say.

Yes, there's a right way to teach reading

At these schools, teachers provide a portion of the kids with a smattering of phonics most schools now concede that some kids do need phonics to help figure out the code and also encourage them to guess words from illustrations, and later, from context. The views expressed herein do not necessarily represent the policies of the National Institute for Literacy. The main idea is the most important piece of information the author wants you to know about the concept of that paragraph.
