Splash Kingdom Waterpark

This story definitely held some intrigue that I had to read it to find out what was going on. The king was considered the incarnation of the god Horus and from the 5th Dynasty, the son of Re, the sun god. I was delighted when the opportunity to read The Secret Of The Lost Pharaoh came

about.

Missing Tombs of the Pharaohs

But he — and all the other experts working in Sudan, including Rachael Dann of the University of Copenhagen, who is exploring the burial chamber of Queen Qalhata, wife of one of Taharqa's predecessors — will have a race against the clock. Just not the angle on history I'm looking for; I'm trying to find out about ancient Egyptian culture in their day-to-day life, rather than the political and military history, or the history of why the pyramids were built.
