Europe's New Academic Fascism :: Gatestone Institute

Fascism is an extreme form of counter-revolution The aim of fascism is the permanent annihilation of all working class organisation, from revolutionary through to conservative. With all this economic activity and employment, Hitler re-energized Germany.

Fascism in Europe

Nonetheless, the belief-systems of National Socialism and Italian Fascism had much in common. This, in turn, is seen as a threat to the serenity and stability of Europe. Up to a thousand people — each tattooed with an ID number — were packed into each of these buildings.

The rise of fascism in Europe

Also called for conversion of some land and some department stores to communal purposes, and the prevention of land speculation. In 1921, Mussolini promoted the development of the Italian race such as when he said this: The nation is not simply the sum of living individuals, nor the instrument of parties for their own ends, but an organism comprised of the infinite series of generations of which the individuals are only transient elements; it is the supreme synthesis of all the material and immaterial values of the race. Mussolini ordered troops to the Austrian-Italian border in readiness for war against Germany.

Fascism in Europe

Italian fascists preached traditional nationalism, which found its expression in a keen sense of patriotism, loyalty to the country, shared language, culture, history, and desire for its own well-being not at the expense of other races.
