Four Riders

It is interesting that the day of the Grand Cross in the sky: August 18 1999, was the day after Cassini, carrying Plutonium, passed close to earth. Why do we post what we do? About this Item: Gallery Books.

The Grand Cross astrology pattern of August 1999, and the Cassini spacecraft journey to Saturn, and the Rise of the Antichrist Putin in Russia. Also the King James version Bible Code on it. And 666 and 888 degree Astrology patterns.

Spine creases, wear to binding and pages from reading. Alpha Leonis is a triple star system; the companions are a red and an orange dwarf star.
