## Differences in Ideas of Marx and Hegel

It will be in a position to lead the masses to victory. It is not about economics but about philosophy.

### religion

The chief thing for him is not that these purely human relations exist, but that they shall be conceived of as the new, true, religion. It is the genuine solution of the antagonism between man and nature and between man and man. The other two are subordinate to it, focused above all on the extraction of surplus value.

### Karl Marx (1818

The question is what the proletariat is, and what, consequent on that being, it will be compelled to do.

### Evil in the philosophy of Karl Marx

To these limits a third must be added. Here again, Hegel was in advance of his time.

### English Literature: Marx's Materialism in Relation to Hegel and Feuerbach

John Buchanan: Look, it's interesting. Hegelian philosophy and grounding politics and political thought in historical-materialist principles. According to Descartes, there is nothing in common between thought and matter.

### Quotes By Marx and on Marxism

One must add that the world exists independent of my senses.

## **English Literature: Marx and Marxism**

Not what the word means according to the historical development of its actual use, but what it ought to mean according to its derivation is what counts. However, there is another approach that is more positive. I have before me a photograph of a baby, taken many years ago.
