### Canti Wine

This article is a bit more of a theoretical examination of the fine points of cantilever brake geometry. In the fourth, the sheep-herder turns to his flock, observing how the lack of self-awareness that each sheep has allows it to live out, in apparent tranquillity, its brief existence, without suffering or boredom.

### The Geometry of Cantilever Brakes

This is not the case with the newer low-profile models. The ephemeral happiness is embodied in Nerina a character perhaps based on the same inspiration as Silvia, Teresa Fattorini. Aspasia is the able manipulator whose perfect body hides a corrupt and prosaic soul.

### Canti Osteria & Bar Restaurant

Standard Short Pull High Tension Cable runs down the bicycle's center line. Some, who are won over by passion, will die for it happily.

### The Geometry of Cantilever Brakes

Nevertheless, there still remains a bit of mystery to cantilever brakes.
