Romer is Professor and Chair of the Department of Foreign Languages and Literatures, East Carolina University. Although first published at the height of the Roman Empire, in roughly 44 C.

Pomponius Mela

Expressions of thanks or praise should be sent directly to the reviewer, using the email address in the review. Romer, originally published in 1998.

Pomponius Mela's Description of the World (豆瓣)

The Description of the World Chorographia, written by Pomponius Mela, was last translated into English over 400 years ago, and is the earliest surviving geographical work in Latin.

tech.radiozamanah.com: Pomponius Mela's Description of the World (9780472084524): Romer, Frank E.: Books

The advent of an English translation of Mela now makes that pleasure available to non-classicists for the first time in four centuries, but those seeking a broader understanding of the author and his work are best advised to consult the French or Italian editions.

Pomponius Mela's Description of the World

Mela integrates geographical description with more familiar historical, cultural, and mythological information.
