It is also the study of activities of rural people.

## Rural Sociology: Meaning, Scope, Importance and Origin

It was there that his life and the lives of his wife and children were changed forever. His distinguished career is mirrored in the many posts of eminence which he came to occupy.

## Top 10 novels on rural America

This critical new rural sociology was applied most extensively to understanding the paradox of the growth of large-scale capitalist agriculture accompanied by the persistence of the small-scale family or subfamily farm. The poverty of many rural areas aggravates these problems. Thus

planning and reconstruction of rural society forms the subject matter of rural sociology.
