Look on and in the old creek bends and ditches for the bass. Located in the Blue Ridge Mountains just south of Ellijay in Gilmer County, the reservoir has a reputation for producing big striped and hybrid bass that hit hard and run deep.

## Fishing Georgia: An Angler's Guide to More Than 100 Fresh

Lines Constant exposure to saltwater and sun means that saltwater fishing lines tend to get a lot more wear and tear. Rocky points in the creeks at the mouths of spawning areas hold quality spots. We all should take responsibility in achieving this and a big part of this is always treating your catch well.
