## Criminology & Criminal Justice

What You Will Learn: Essential IG-specific legal guidance and an introduction to the types of investigations typically worked within the IG community, as well as the Inspector General Act of 1978, as amended, and the primary authorities, duties, responsibilities, and obligations that stem from the Act. The orientation also provides an overview of the training they will receive at the Academy, and current training initiatives in the field.

## Federal Law Enforcement Mandatory Basic Training: Results of Surveys of Federal Civilian Law Enforcement Components (GAO

More information might produce a better inference but at greater costs and at a loss of timeliness.

## Justice Studies (CRIMJ) Course Catalog

The program curriculum reflects the ever-changing and evolving criminal justice landscape. The firearms training simulator uses five interconnected screens to create active engagements in a 300 degree environment surrounding the trainee.
