Mark and Graham: Page not available in your region

Find extension wands and a variety of nozzle attachments to fit into small crevices and scrub areas of any size. You'll want to take extra care when it comes to copper. Get concentrated car wash detergent to last for multiple uses and foaming car wash to lather up your four-wheeled baby.

Cleaning metals: basic guidelines

Vinegar is another multiuse wonder product that can be used to clean windows and bathroom tiles, de-gunk the inside of your microwave, as well as. The microfiber cloth, in fact, is Good Housekeeping Research Institute-certified — one side is for cleaning while the other is for polishing. She adds that you have to be very careful that the copper is cleaned completely before applying the oil.

Cleaning metals: basic guidelines

Our goal has always been to offer our customers the highest quality products for exceptional vehicle appearance. When it comes to cleaning metals, less is more.

How to Clean and Polish Copper

We rigorously test and retest each and every product before sending it to the market, ensuring we only deliver the best. Users love how the solution is instantly effective, and how only a tiny amount is needed for it to work. Though a little patina is sometimes desirable, too.

How to Clean and Polish Copper

No matter how well you care for your , dishes, and cutlery, they will naturally tarnish over time. Our delivery program lets you get the qualifying items delivered from the store to your door by a helpful Ace associate.
