## Shibito no Koe wo Kiku ga Yoi (Title)

In retrospect, the epilogue was entirely not necessary for a conclusive end to the series, especially since it DOESN'T MAKE ANY GOD DAMN SENSE.

## Kara no Kyoukai 8: Shuushou

Kokutou explains to her that her ability is not as extraordinary as she thinks, and that it is more like an extension of the kind of prediction that ordinary humans can do based on current information. The song was written, composed and performed by , being his first major single. It was born from the archetype of Tsukihime's plot, but as a story it predates Tsukihime.

## Hyadain no Kakakata Kataomoi

Shiki later on takes Mikiya's suggestion and buys her trademark red leather jacket. He's only in mid 20's but does his job tidily.

## Shinichiro Isumi

Once Waya took a liking to Shindo and started to bring him along with training, the three boys gained a friendship between each other.

## Kara no Kyoukai

Little did he know that Hikaru had, at the time, given up in playing. Tomoe is at first shaken but then recovers, declaring that even if his past was a lie his feelings for Shiki and their time together was real.

## Hyadain no Kakakata Kataomoi

They are each other's rock, each other's medicine, each other's means of catharsis. Tomoe, the lone witness of all this, grabs Shiki's knife and escapes back to her home. It is ten kilometers long in a crescent moon shape and it was planned to have a shopping arcade.

### **Hyadain no Kakakata Kataomoi**

While being treated by the medical staff, who are unaware of Shiki's new ability, Shiki is able to see the cracks on them and on herself and visions appear where people and even herself are being sliced through those cracks. She was an acquaintance of Misaya since they were in the elementary level classes.
