22 Indian women who were the 'firsts' in their field

In fact, India is a vibrant society with an increasingly vigorous internal dynamic and an increasing influence, directly and indirectly, in the world. Checking into a hotel alone is often a challenge for working women, even if the trip is official. Even after huge level improvement in the women status in India, they are still exploited and abused in many ways like rape, sex discrimination, etc.

Gender Roles in India

The Art of India , 1977.

Women in Indian Armed Forces

Traditional value system, low level of literacy, more house hold responsibilities lack of awareness, non-availability of proper guidance, low mobility, lack of self confidence family discouragement and advanced science and technology are some of the factors responsible to create gender disparity in our society.

'I was bought for 50,000 rupees': India's trafficked brides

One can never hope to move out of one's caste in this life but may do so in the next reincarnation.

Women in India's Economic Growth

She has used her prominence to be a part of many charities and social causes like eye donation and eradication of Polio. There are many women working in the Central Secretariat. Excluding small parts of the country that are currently occupied by Chinese or Pakistani military forces, the area of the Republic of India is 1,222,237 square miles 3,165,596 square kilometers.

Indian Women, Women in India

Hence the need of the hour is to effectively combat gender disparity as to promote gender equality by sufficiently empowering the women. India

has had many traders, transport agents, importers, and exporters since the days of the Indus civilization four thousand years ago.
