Filesize: 16.410 MB

If the CDC is right about that 50% B117 prevalence, the US will face a series of lockdowns at least as intense as last spring. Many of the times we forget that we are supposed to take breaks while we are dealing with anything on the computer screen and are engrossed in reading the content on screen.

### **Indigo**

As always, it depends on your personal circumstances. I am extraordinarily bullish, just not on passive index funds.

### **Indigo**

As you are cleaning up the remnants of your scaled down New Years celebration, let me leave you with one last counterintuitive fact.

He is that unusual combination of scholar, wit, raconteur, and man with an eye fixed fastened on the underside line. An excellent eBook reader should be installed. Even by the year 1900, markets were much more complex — while railroads were still a dominant force, investors were starting to put money into other types of companies like utilities, steel, and energy companies.
